OBJECTIVE

Seeking a Network Engineer where I can apply my knowledge of networking, troubleshooting, and Cisco technologies while contributing to organizational growth and enhancing my technical skills.

EDUCATION

BE in Computer Science, SIMATS Engineering, Chennai 2021-2025
CGPA: 8.6/10

Intermediate(MPC), Vidya Bharathi Jr College, Sathupally 2019 - 2021
Percentage: 85

SSC, Z.P.S.S, B.Gangaram 2018 - 2019
Percentage: 78

SKILLS

Programming Languages	Java, python, Sql
Networking	• Proficient in network protocols: TCP/IP, DNS, DHCP • Experienced with Cisco routers and switches, Basic knowledge of network security principles and practices • Skilled in troubleshooting and resolving network issues • Skilled in OSPF, Load balancer, cloud (fundamentals)
Developer Tools	Google colab, Vs Code, Spss, MS Office (Excel, word, powerpoint)
Soft Skills	Problem-solving, Leadership, Time Management, Good communication

PROJECTS

Machine Failure Prediction Using Machine Learning: Developed a predictive maintenance system using machine learning algorithms to analyze sensor data and predict machine failures. Contributed to the publication of 4 research papers related to the project. ([Verify](#))

Encryption And Decryption: Built a web-based encryption and decryption tool using JavaScript and CryptoJS. Implemented multiple security methods including AES, XOR, SHA hashing, and Base64 encoding to secure data. Designed for safe encryption with multiple protection levels. ([Verify](#))

ACHIEVEMENTS

- Presented research on an Advanced Machine Failure Predictive Maintenance System using Machine Learning techniques at the 5th International Conference on Computational Intelligence and Industry 5.0 (ICCI 2024), Velammal College, April 3, 2024 ISBN: 978-81-967851-7 8. ([Verify](#))
- Second Place – TECH TALK Event (Feb 2025) Secured 2nd place in the One-Day National Level Technical Symposium "NEURONEX'25", organized by Vel Tech University. Awarded a cash prize of 2500 for outstanding performance. 8. ([Verify](#))

CERTIFICATIONS

- Oracle Cloud Infrastructure 2024 Generative AI Certified Professional from the Oracle Corporation, recognizing expertise in Oracle Cloud Infrastructure Generative AI solutions. ([Verify](#))
- Successfully completed the Technical English for Engineers course. Certified among 4,282 candidates during Aug-Oct 2024 (8-week course). [RollNo: NPTEL24HS175S656310783]. ([Verify](#))
- Cisco Networking Academy – Introduction to Packet Tracer Built and simulated networks using Cisco Packet Tracer, including basic topologies and IoT smart home setups. ([Verify](#))
