

VIKASH KUMAR**Mob No: +91-7528062692****NR & LTE & IMS Network Engineer****Email: vikashshahi13@gmail.com**

OVERALL EXPERIENCE

With my 6+ years of experience seeking a challenging position in the field of Telecom industry in a professionally managed organization with learning and growth opportunities and having adequate responsibilities to implement the skills being acquired, and ultimately growing with the growth of the company.

KEY SPECIALITIES

- Experience on **Wireshark, QXDM, QCAT, ELT, COOL watcher, Arm Tracer & QPST.**
- **End-to-End testing experience. Log analysis and troubleshooting for root cause, Protocol**
- Experience on LTE procedures like Initial attach, Cell Selection, Cell camp on Carrier Aggregation.
- Experience on LTE protocol stack regarding testing and log analysis.
- Experience in NAS, RRC, PDCP, RLC, MAC and Physical layers of LTE.
- Experience of RACH procedure testing in multiple scenarios and RACH failures.
- **5G RAN testing experience, System Validation and Verification of gNB, DU and CU.**
- Logs Analysis and Troubleshooting of RRC Connection Setup, RRC Connection Reconfiguration, RRC Connection Reestablishment, RRC Connection Reject, HO Cancel, HO Failure, Path switch request.
- Experience of IMS architecture and knowledge on end-to-end call flow including IMS Registration.
- Experience of 5G SA & NSA architecture
- Performed UE side Testing (Performance, Sanity, Functional, Stability and Mobility Testing with different updated builds and FOTA upgradation test.
- Performed NB-IoT (JCR 1440, JVT 1443, JBT1740) devices testing.
- Execute test cases, provide detailed reports on daily basis with bugs and initial analysis for problem and provide logs to developer with cause of failure.
- Quick learner and strong desire to master new Technologies in Protocols.

Wireless Technologies: VOLTE, LTE, NR, IMS.**Testing Platforms:** Qualcomm, MediaTek Chipset Testing.**Testing Type:** Functional Testing, Features Testing, Sanity, Field Testing.**Protocols:** NAS, RRC, PDCP, RLC, MAC, PHY.**Testing Tools:** QXDM, QCAT, Wireshark, QPST, Cool Watcher, Arm Tracer.**OS:** Linux and Window.

TECHNICAL SKILLS

PROFESSIONAL EXPERIENCE

Client- Rakuten Symphony

Payroll- Tech- Mahindra

Duration-16-sep-2024 to till now

Role- IMS Core Network Engineer

project- 1 & 1 (Germany)

Summary

Dedicated and analytical professional with a proven track record in monitoring, analyzing, and optimizing key performance indicators (KPIs). Skilled in data analysis, reporting, and process improvement. Proven ability to identify trends, anomalies, and opportunities for optimization. Seeking a challenging role in KPI monitoring to contribute to the success of 1&1's projects.

Key Responsibilities

- * Developed and implemented a comprehensive KPI framework to track project progress and identify potential risks.
- * Collected, analyzed, and interpreted data from various sources to generate actionable insights.
- * Created insightful reports and dashboards to communicate KPI performance to stakeholders at all levels.
- * Identified opportunities for process improvement and implemented solutions to enhance efficiency and effectiveness.
- * Collaborated with cross-functional teams to ensure data accuracy and consistency.

Client- RJIL Pune.

Payroll: Marquis Tech Pvt Ltd.

Duration: 19-April-2023 to 13-Sep-2024

Role: NR & LTE & IMS Test Engineer

- **5G RAN testing experience, System Validation and Verification of GNB, DU and CU.**
- **End-to-End testing experience. Log analysis and troubleshooting for root cause, Protocol**
- Experience of 5G SA architecture, log analysis and troubleshooting bugs
- Experience on NR and LTE architecture with all nodes having knowledge on end-to-end call flow.
- Expertise in Developing, Review and Execution of Testcases.
- Extensive experience on Testing Mobile chipsets (Qualcomm, MTK), Prototypes, Device
- During testing identifying and analyzing errors.
- Debugging issues while performing Test cases like Sanity, RAN, IMS, PRACH Tx Power, PUSCH Max Tx power, Vo Wi-Fi, Throughput, Rank Index, UE capability etc.
- Verifying issues in different scenarios.
- Analysis of different audio video codec and payload.
- Understanding of LOG ANALYSIS of UE side for VONR, VOLTE, VOWIFI.
- Report bugs related to testing and after completing testing we analysis log.
- Posting Bugs and updating bug-tracking system as appropriate.
- Hands on experience on Reliance Jio products Narrowband IoT as well as Wideband IoT (JCR1440, JVT1443, JBT1740, Jio Air Fiber).
- RAN Testing, Mobility Testing, web portal testing, issue Analysis from network side testing

Client: Ericsson/ Samsung

Payroll: Uni-info Limited.

Duration: Mar-18 to Apr-23

Role: RF Engineer (Coordinator)

- Experience in outdoor activity like attempt Customer complain, Network related issue, Site optimization for customer complaint, Traffic degradation & up gradation of KPI to the 4G+5G technologies.
- Experience in outdoor survey activities like Radio Frequency survey, New & Existing site survey, Emf survey and preparing Site forge report of survey.
- Experience in preparing technical report of drive test using processing tools like MapInfo, Google earth, MS- Office, Power point, MS-Excel, Word.
- Experience in drive test activity like SCFT, MCVT, SSCVT, and Cluster drive test using various XCAL version like v4.09.610,08,05 Checked RAN behavior in mobility, good and poor network coverage.
- Analyzing collected XCAL Logs and analyzing MapInfo, Generate VUZE Report and analyze.
- Log analysis for the UE Initial attachment, Cell Selection, PLMN Selection, RACH procedure and X2 handover.
- Performed Data drive and analyzed Throughput report.
- Preparing SCFT & Cluster Reports.
- Analyzing the Call Drops, Handover Failure, Call Blocks.
- Analyzing the low coverage and quality patches.
- Recommending the changes to be implemented for the improvement of the patches.
- Reducing the overshooting of cells by optimizing the tilts.
- Traffic sharing of high utilized cells with nearest neighbor Cells by physical optimization.

EDUCATION

- **B.Tech.** (Electrical & Power) from Priyadarshani College Of Engineering & Arch, Nagpur from 2009 to 2013.
- 12th from ST Columba's College, Hazaribagh. Year (2007)
- 10th From Public High School Kuju, Hazaribagh. Year (2005)

PERSONAL DETAIL

Name:	Vikash Kumar Shahi
Date of birth:	10 August 1990
Nationality:	Indian
Languages Known:	English, Hindi
Marital status:	Un-married

DECLARATION

I hereby declare that the above-mentioned information is correct up to my knowledge and I bear the responsibility for the correctness of the above-mentioned particulars.

(Vikash Kumar)
